SUBJECT: Report on completed task for 25 August 1995

Pursuant to the order of the Assistant Minister Lieutenant General Mladen MARKAČ, between 0700–1400 hours special police joint forces searched the general area of Pa/d/eni village–Palanka, to the south-east, facing Strmica, Golubić and Vrpolje villages, approximately 11 km wide x 8 km long as the crow flies, with the objective of finding and destroying routed enemy sabotage and terrorist groups and finding MTS /materiel and technical equipment/.

Special police joint force units, 580 strong searched the terrain in platoon columns as follows:

1. Sisak–Moslavina PU /Police Administration/ SJP /special police unit/

The search of the terrain was carried out by 120 policemen along the Knezevići–Pađeni–Karin–Vrpolje villages axis.

During the search there was no fire contact and no MTS was found. Ten elderly civilians were found in Zadrovići, Stara Straža and Potkraj villages.

2. Zagreb PU SJP

The search of the terrain was carried out by 120 policemen along the Čupkovići–Pašići and Gradina–Zelenbabe–Golubić villages axes.

During the search there was no fire contact and the following MTS was found: 60 boxes of 7.62 mm ammunition, 180 boxes of 7.9 mm ammunition and 40 boxes of PROM /anti-personnel bounding fragmentation mines/

In Pašići village a suspicious male person was found and handed over to the regular police force for criminal processing.

3. Brod–Posavina PU SJP

The search of the terrain was carried out by 120 policemen along the Čupkovići--Mundići–Radinovići - Plavšići villages axis.

During the search there was no fire contact and no MTS was found.

4. Split - Dalmatia PU SJP

The search of the terrain was carried out by 120 policemen along the /?Mrnduše/ village - tt /trig point/ 430–Đurići village–Golo Brdo–Vukovići village axis.

During the search there was no fire contact and no MTS was found.

In Vundići village a decomposed male body was found wearing boots and with its hands tied.

5. Lučko ATJ /anti-terrorist unit/

The search of the terrain was carried out by 45 workers along the Petrovići village–Orlovac (tt 1201) - Živkovići village axis.

During the search there was no fire contact and no MTS was registered.

6. Osijek - Baranja PU SJP

The search of the terrain was carried out by 150 policemen along the Petrovići–Palanka–Strmica villages axis.

During the search there was no fire contact and no MTS was found.

At the starting positions in the villages 54 civilians were found.

MEDICAL SUPPORT

During the search two KAME /Surgical-Anaesthetist teams/ provided medical support to the joint forces.

ARTILLERY SUPPORT

The Zagreb PU SJP battery provided artillery support.

NOTE

The Croatian police has not established contact with the persons found. The civilians were recorded by members of the UNCRO.
