

- 1 NR: The safety of return and life of expelled persons in the area liberated in *Oluja*  
2 /Storm/ is increasing with every action intended to mop up renegade groups.  
3 One of such actions, not far from Knin, was also followed by our crew today.
- 4 NŠ: Special antiterrorist units of the MUP /Ministry of the Interior/ are right now  
5 carrying out the last mopping-up actions here in the territory around Plavno,  
6 20 km from Knin. In around ten hamlets, around 70 Serbian civilians were  
7 found who asked for and got a permission to stay here in Croatia, whereas ten  
8 sought protection of the UNCRO. However, during the operation in the village  
9 of Gruber, fierce clashes also broke out.
- 10 IČ: We are in the village of Grubor, one of Chetnik strongholds, which was in the  
11 mopping-up action, as you can see, there was an exchange of fire between the special  
12 units of the MUP and the remaining Chetnik groups. There were somewhere around  
13 ten terrorists who put up resistance and at that moment, the village was set on fire.  
14 During the action itself, three members of Chetnik groups and two civilians got  
15 killed. I came personally to the village of Grubor to see for myself the entire  
16 course of the action and with, I brought along the whole team precisely in  
17 order to find out the facts, to find out the truth, so that attempts are not made  
18 again to impute something to Croatia, that it was deliberate arson, that there  
19 were deliberate killings, etc.
- 20
- 21 NŠ: In the hamlet of Grubor, we found some ten elderly persons to whom the  
22 Croatian Army had already offered medical and humanitarian aid. All the  
23 others fled in the direction of Serbia already during the Operation Storm.
- 24
- 25 SB: Well, here, they gave me this as help, this money. Whatever that is. I don't  
26 know, they just gave it to me.
- 27
- 28 NŠ: This is the money that the Croatian authorities gave you as aid, for the  
29 expenses, if you want...
- 30
- 31 SB: Yes, as aid. Well, alright, it's alright now, there is nothing to buy. And to  
32 Knin, who'll take me to Knin, I'm 76.
